Join us for the opening reception of the 37th Annual Faber Birren National Color Award Show, hosted by The Stamford Art Association, 39 Franklin Street, Stamford, CT.
Sunday, September 24th, 2017 from 4:00 to 6:00 pm

In 1980, Faber Birren, world renowned color consultant, author of 27 books on color, endowed the Faber Birren Color Award of \$1000 for original and creative expression of color. The Faber Birren Color Award Show has grown from a regional exhibit to one of national scope, encouraging artists in all media. This competition is the only artistic event devoted exclusively to the use of color. This year the Stamford Art Association celebrates its 37th year of the Faber Birren National Color Award Show.
